

MAKING SENSE OF THINGS

HISTORY OF EMPIRES

Empires rise and fall. Ancient empires like Egypt, Assyria, Babylon, Persia, Greece, Rome, as well as other powerful nations down through time, all have one thing in common. They rise to power, flourish for a time, and then they decay, fall, and become fodder for historians.

Almost always they fall due to internal corruption and disintegration caused by evil and decadent rulers who believe they are an entitled superior breed who can indulge in crime and get away with it. Rulers are brazen liars with visions of grandeur - thieves, and mass murders. And yet people admire and worship them.

Empires rarely if ever fall due to outside attacks or invasions from other powers. Rather, they fall due to internal disintegration. The rulers lose touch with reality, and grow exceedingly decadent. They cover their crimes from the public, but live in fear of being exposed. Thus they see their own citizens as their main threat. They keep militaries and police forces around themselves like Praetorian Guards to guard against citizen uprisings. They also invent enemies and threats from other nations. Rulers need the citizens to be in constant fear of war to keep them looking to government for protection.

Kings, presidents - governments - always live in a protected bubble detached from reality. They keep their own chosen circle of bootlicking sycophants around them who support their little world where the only thing that concerns them is how they can manipulate their citizens to follow them blindly. The people must be kept scared and looking to politicians to protect and care for them.

These man-made worlds are called "Beast Systems."

BEAST SYSTEMS

Adam was given the ultimate system. God loved and cared for him. But Adam rejected God as his Lawmaker, opting instead to become his own god (Gen. 3:5). The

same mistake was repeated when the Israelites rejected Yahweh as their King and Lawmaker in 1 Samuel 8. Samuel was the last judge in Israel. At that time the Israelites decided they were tired of Yahweh as their "Husband" by covenant. God had saved the Children of Israel and led them out of Egypt, nourished them and protected them for over a thousand years during the time of Moses and the Judges. The judges applied God's law, but they did not make law. Those were the golden years for Israel.

But the Israelites (many of them) became corrupt and thought they could be their own gods to make their own laws like the nations around them. So that generation of Israelites abandoned God and his law. They went their own way and fell into corruption and captivity under the Beast Systems named above.

This happened to Adam and his descendants. It happened later to Israel. It happens to any culture that rejects God. Moses prophesied it. Moses, the great teacher of Israel, gave instructions how to be free and happy. In Deuteronomy 32 we read of the "Song of Moses" where he tells Israel the formula for success. This "song" (teaching) is the universal answer to all the problems that man might ever face - in any age.

This Song of Moses is mentioned also in the Book of Revelation chapter 15:2-4. The scene there is a great gathering of people who were following God and had gotten victory over the Beast System. These saints stood on a "sea of glass" depicting a calm, tranquil life without turmoil. Their ideal situation was made possible by their observance of the Song of Moses. Those on the sea of glass were safe and secure while others elsewhere outside the sea of glass were in judgment and turmoil.

2. *And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the **sea of glass**, having the harps of God.*
3. *And they sing the song of Moses the servant of God, and*

the song of the Lamb, saying, Great and marvelous are your works, Lord God Almighty; just and true are your ways, O King of saints.

4. *Who shall not fear you, O Lord, and glorify your name? for you only are holy: for all nations shall come and worship before You; for your judgments are made manifest.*

Revelation 15:2-4

Moses explains clearly in Deuteronomy 32 this universal formula for peace and salvation. It is very simple and logical. The essence of what Moses taught with his "song" can be summed up in these few verses:

1. *Give ear, O you heavens, and I will speak; and hear, O land, the words of my mouth.*
2. *My doctrine shall drop as the rain, my speech shall distil as the dew, as the small rain upon the tender herb, and as the showers upon the grass:*
3. *Because I will publish the name of Yahweh: for I proclaim the name of Yahweh and ascribe greatness to our God.*
4. *He is the Rock. His work is perfect: for all his ways are just: a God of truth and without injustice, He is just and right.*
9. *For Yahweh's portion is his people; Jacob is the lot of his inheritance.*
10. *He found him in a desert land, and in the waste howling wilderness; He led him about, He instructed him, He kept him as the apple of his eye.*
11. *As an eagle stirs up her nest, flutters over her young, spreads abroad her wings, takes them, bears them on her wings:*
12. **So Yahweh alone did lead him, and there was no strange god with him.**

Deuteronomy 32:1-4, 9-12

Do you see it? When Yahweh ALONE led Israel they were free and safe. When there was NO STRANGE GOD in Israel they were happy and with no Beast System.

This is a lesson for the learning. God provides a "sea of glass," peace and happiness, for those who worship Him and his Lamb (Jesus), because they don't have strange gods (governments; lawmakers).

The trouble is that men are prone to want man-gods from their own ranks to be their rulers and lawmakers ("you shall be as gods" - Gen. 3:5). Man-made empires always have their own gods (rulers/lawmakers).

Man's empires are called Beast Systems, and they follow this pattern without fail. They cannot last very long because they are built on faulty foundations. Their corrupt rulers and laws always let them down. As one regime fades it is replaced with another. The seeds of their own destruction are planted into man's systems from the outset. They rise, usually under a powerful leader, and the system seems to flourish for a while. But then they fail due to their own internal corruption. Then another world power steps up to take its place, and the cycle repeats again and again.

The one exception to this pattern is Yahweh's system. When a nation, as with Old Israel, looks to God and his laws for guidance that system can continue. During the time of Moses and the Judges the Israelites had a long period of prosperity and freedom because they were under the

system God gave them. These were the golden years for Israel because God was their Lawmaker, and no man-gods were with them.

But eventually, at the time of Samuel, the Israelite nation opted again to extract themselves from God's covenant, abandon his system, and copy the systems of the other nations with their man-gods. The people then lost their freedom and power, and soon fell into captivity.

CHOOSE YOUR LAWMAKER

There are only two systems. You must choose one - either God's system with God's laws, or man's system with man's laws. Man's system is called the Beast System. There are several subsets or variations of man's system, all of which are Beast Systems.

But there is only ONE Godly system.

God lets us choose - we can opt for his system, or we can opt for man's system. There are no other choices. Either God is your Lawmaker, or man is your lawmaker.

This is the choice that has been before man from the beginning. When men made the right choice good times followed. When they made the wrong choice hard times followed. It couldn't be more simple and straight forward.

Joshua said:

15. *And if it seem evil to you to serve Yahweh, choose you this day whom you will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land you dwell: but as for me and my house, we will serve Yahweh.*

Joshua 24:15

Because Israel has strayed away many times from Christ and from God's laws, substituting Romanish pagan church teachings, the people have, over time, digressed into societies that are disconnected from God. They have chased greed, lawlessness and excess in fleshly corruption. They have gone to sleep and allowed themselves and their children to be poisoned with philosophies of wicked men and devils Beast Systems of men to take advantage of ignorant and irresponsible citizens. Americans have stood aside while the culture was overwhelmed with power groups (politics) among them.

These politicians, enabled by the pagan churches, became super wealthy and powerful - and they preyed upon the people who are weak, lost, and have become stupid - unable to resist. Why? Because they, as a people, threw away their Christ and their God's laws. They asked for devils to rule over them because they thought it would be glorious and would free them to ignore God's laws.

So now, instead of Biblical principles of God and a healthy culture, America has godless churches and godless politicians (lawmakers). She has Democracy (rule by men), venal entertainment instead of wisdom, and social media instead of family and community.

In short, Americans have created a breeding ground for corruption, deception, and idiocy. With their system America is being destroyed - not by powerful outsiders, but

by devils on the inside who were invited in by stupid people who still support them and vote for them. America is destroying itself by its rejection of the real God and his Christ. The wolves are being invited into the sheepfold. It is a culture of suicide that has resulted of the people rejecting truth and losing their minds.

THE CURSE OF STUPIDITY

“Stupidity is a more dangerous enemy than malice. One may protest against evil; it can be exposed and opposed. Evil always carries within itself the germ of its own subversion in that it leaves behind in people at least a sense of unease.

But against stupidity we are defenseless. Neither protests nor the use of logic accomplish anything here; reasons fall on deaf ears; facts that contradict one’s prejudgment simply need to be dismissed – in such moments the stupid person even becomes critical – and irrefutable facts are just pushed aside as inconsequential, as incidental. In all this the stupid person, in contrast to the malicious one, is utterly self-satisfied and, being easily irritated, becomes dangerous by going on the attack. For that reason, greater caution is called for when dealing with a stupid person than with a malicious one. Never again will we try to persuade the stupid person with reason, for it is senseless and dangerous.”

— Dietrich Bonhoeffer

Stupidity is not the lack of learning. Rather, it is contempt for learning. It is an unbreachable road block.

FALSE CHRISTS

False Christs are routinely preached in churches. Jesus told us this fact, but his words are usually misunderstood. In the quote, to which I refer, Jesus is generally thought to be referring to someone claiming himself to be the Christ. But that is not what Jesus meant. Instead, this quote warns of teachers who come to you “in the name” (i.e., claiming authority) of Jesus, using his name but attributing false doctrine to Him (like the Roman Church that uses the title “Christ” to refer to Mithras). When they speak of “Christ” they are referring to a Persian deity that they’ve renamed “Jesus” or “Christ.” It isn’t the real Jesus.

5. *For many shall come in my name, saying, I am Christ; and shall deceive many.*

Matthew 24:5

Mark Twain, who was an observer of human nature, said: *“It’s easier to fool people than to convince them that they have been fooled.”*

Stupidity is what happens as the result of ignoring God. In opting to rely on the mind of man, instead of God, men disable their ability to reason. They invent their own realities. Believing something doesn’t make it true.

9. *The heart is deceitful above all things, and desperately*

wicked: who can know it?

Jeremiah 17:9

God can know our hearts. Therefore He is the only dependable source to guide us.

But churches have come between people and God. They’ve done it by teaching strange gods and strange christs - like the Persian/Jewish god “Shaitan” (the churches’ “Satan”), and like the Roman Church’s “burning Hell” and outer-space “heaven.” And like John Darby’s “rapture.” And like many other equally absurd teachings. By teaching nonsense and false gods they block people from knowing the real God. Thus, churches have made people stupid, and stupid people enable politicians to take advantage of them. They have lost their ability to reason.

Here are some examples:

- Churchgoers send their kids to public schools and are surprised when they hate God and family.
- Bruce Jenner declares himself to be a woman and Americans believe him.
- Churchgoers pray for abortion to end but vote for politicians who fund Planned Parenthood.
- “Doctors” say unborn babies are not alive and Churchgoers trust them.
- Americans wear masks to prevent a disease that has a 99% survival rate.
- Churchgoers obey the godless government and disobey the teachings of the Bible.
- Churches ordain ministers that the Bible calls deviants.
- Public libraries promote sexual deviancy with approval from Churchgoers.
- Churchgoers send their kids to public schools to learn they came from monkeys rather than from God.
- Churches teach a man can marry another man and call it a family.
- Churches teach that the right to pray comes from the government.
- Americans worship a government that makes it harder to get a gun permit than to get a divorce.
- Burning and looting property is a Constitutional Right if you are not White.
- Planned Parenthood and liquor stores can stay open but your business cannot.
- The Word of God is subject to review by the Supreme Court.
- The American people think they choose their rulers at the voting booth.
- Americans believe that children can choose their own gender and churches agree.

These indications are evidences of a lost culture. Americans, as a whole, are lost. Some are stupid, but some are merely confused. Some have a hardened heart, but many have soft hearts that are deceived/confused by the flood of lies they hear all their lives. False prophets are produced by the churches all across the country. False prophets teaching

lies have been the greatest threat to our people from the beginning.

Adam wasn't stupid, but he was not wise. A false prophet convinced him to sell out himself and his offspring. False prophets have been the downfall of many of our people down through the years. People today who genuinely want to learn about God and his Christ typically look for a church to teach them. They assume that churches are godly. Then a church preacher teaches them false doctrine and confuses them so badly they are not likely to ever navigate their way through it to find truth.

Church preachers are literally the worst enemy of truth because they are wolves in sheep's clothing. They are steeped in paganism and Jewish/Babylonish deception. It is no wonder that God gave laws that dealt harshly with false prophets.

1. *If there arises among you a prophet (teacher), or a dreamer of dreams, and gave you a sign or a wonder,*
2. *And brought to you the sign or wonder, whereof he spoke, to say, Let us go after other gods, which you have not known, and let us serve them;*
3. *You shall not hearken to the words of that prophet, or that dreamer of dreams: for Yahweh your God proves you, to know whether you love Yahweh your God with all your heart and with all your soul.*
4. *You shall walk after Yahweh your God, and fear Him, and keep his commandments, and obey his voice, and you shall serve Him, and cleave to Him.*
5. *And that prophet, or that dreamer of dreams, shall be put to death; because he has spoken to turn you away from Yahweh your God who brought you out of the land of Egypt, and redeemed you out of the house of bondage, to thrust you out of the way which Yahweh your God commanded you to walk in. So shall you put the evil away from the midst of you.*

Deuteronomy 13:1-5

There is a conspiracy between church and state to keep people confused, scared, and off balance. The events of the last few months are irrefutable proof that the nation is in deep trouble - not from outside threat, nor from the threat of a virus, but from internal disintegration. There have been other signs over the years that America is due judgement from God. The signs have been there. But the signs we've seen this past year, and continue to see this year, are so striking that people can't miss them. These are signs of a falling empire.

BE WATCHFUL AND WISE

We need to be awake and aware. None of us knows exactly how the Lord's judgment will manifest. Scripture likens it to being like a thief in the night - unnoticed by those who are asleep. The great harlot that rides (controls) the multi-headed international Beast System (Revelation 17) will not see it coming. And she will be destroyed by the hand of God. The multi-headed Beast System will actually turn on the Great Harlot (the elite few who have controlled the Beast System) and the ensuing struggle will destroy both Beast and Harlot.

God exposing the great evils of the Beast System, and those who are awake can see the beginning of the fall of the system. I'm not predicting it, but I am observing the signs. The crazy things that are happening right now are so obvious that the world rulers seem to be acting out of character like God caused Nebuchadnezzar to act like an animal in Daniel 4. I can't remember in my lifetime when the world rulers have been so out of control and exposed.

The two worlds - the Beast System vs God's System, are clearly showing themselves to be diametrically opposed to each other.

THE TWO WORLDS

When Jesus was teaching his disciples about the Beast System - exposing it - He gave them hope and comfort that the nonbelievers would not know.

18. *The Spirit of the Lord is upon Me, because He anoints Me to preach good news to the poor; He sent me to heal the brokenhearted, to proclaim deliverance to the captives, and recovery of sight to the blind, to set at liberty them that are bruised,*

Luke 4:18

Jesus announced that the prophecy of Daniel 2 - the new system of Christ's Reign - would shatter the great Beast System. It was a tremendous blow to the Roman empire at that time. A new system was born - the Reign of Christ (the risen King). The effects of that event have rippled across the world. Many people were awakened and their eyes were opened. It shook the world and turned that system upside down. Those who followed Christ and his Reign were able to overcome the Beast System by the Word of God. The Beast System is a system of deception, and the followers of Jesus who were raised into his Kingdom overcame the Beast's hold upon their minds.

Since that time, and that world-changing event, the Beast System has regained much power that it lost. This is depicted in Revelation 12 where the "dragon" (the Beast System) sends a "flood" out of its mouth (deception and lies) to deceive those who weren't awake and aware.

The Beast System's deception of the world is complete today as we can see it running rampant and acting wild and careless through the land. This is why I am watching to see if the time has come for the great revealing and final destruction of the Beast System and the fall of the world's last Empire.

In Revelation 18 we read that Babylon The Great falls, and the super wealthy "merchants of the earth" weep and wail because no one buys their merchandise (no one believes them) any more. And that their power and wealth is lost in "one hour" (i.e., a short time). Her plagues come in one day, death, and mourning, and famine; and she is utterly consumed by God's judgment upon her.

We are in an extraordinary time of learning and judgment. This is a time for us to watch and see the hand of the Lord.

Ben Williams
